### ANNUAL SYNOD

of the Reformed Presbyterian Church in Holding Their Seventy-first Session Here.

Many visitors and delegates have been welcomed within our gates in the last few days. Cedarville, as it were, is wholly at the mercy of the clergy. Cedarville this year has the honor of having the seventy-first annual synod of the Reformed Presbyterian church of North America, which held its first session in the Opera House, Wednesday evening. The services were opened by the singing of the 102nd psalm, after which came the sermon by the Rev. J. A. Black, of Wyman, Iowa. Upon motion the election of officers was carried over until Thursday morning.

#### THURSDAY.

At the opening hour this morning the election of officers was in order and the result was as follows: Moderator, Rev. F. M. Foster, of New York; Clerk, S. C. Shaw, Cambridge, Mass.; Asst. Clerk, T. C. Sproull, Fair Grove, Michigan.

Next came the reports of the committee on unfinished business, carried over from last year, followed by the usual routine of business in connection therewith.

Several years ago it was decided to have the churches of Ireland and Scotland to meet with this church in this country in 1901, but the committee having this in charge suggested that it be done away with, as out of 75 letters only two expressed themselves in the affirmative.

The committee's report was accepted and they were discharged.

It was decided that there be a half hour spent at the beginning of each session for devotional exercises, instead of at the close as has been the custom.

Adjourned for dinner.

#### AFTERNOON SESSION.

The remainder of the unfinished business of the forenoon was finished and the report of the committee on special privilege was called for. A paper was read by Rev. R. C. Wylie, of Pittsburgh, Pa., chairman of the committee, containing the following resolutions:

"Resolved, That the right to compose and sing hymns as an act of worship, is on the same basis as the right to write and read prose."

A motion was made that this clause be stricken out, and after a discussion lasting about two hours it carried by a vote of 60 to 52.

#### EVENING SESSION.

The evening session was set apart for conference on mission work, and was presided over by Rev. George A. Edgar, of Olathe, Kansas. Rev. J. S. Thompson, of Utica, O., delivered an address on "Missionary Pastors." Rev. F. M. Foster, of New York City made the closing address of the evening on the topic: "The Value of Foreign Missions to the Home Church."

#### FRIDAY MORNING.

The Synod opened this morning with the usual 30 minutes devotional exercises, followed by the reports of Boards. The report of Superintendents of Theological Seminary was read by J. W. Sproull and accepted. Next came "Education and Church Extension" by F. M. Foster, secretary of the Board.

"Foreign Missions" was handled by R. M. Sonnemerville, Sec. Secretary. The following reports of Committees were left over from yesterday: "The Value of Foreign Missions," by D. H. Coulter, and "Secret Societies," by W. J. Coleman.

T. C. Sproull was called on for his report on "Temperance" but asked for more time, which was granted.

#### AFTERNOON.

The afternoon session was taken up in hearing and discussing the reports of the different boards. The first being, "Central Board of Missions by W. J. Coleman, Cor. Sec'y, who reported the boards in good financial standing. A number of communications from different presbyteries, congregations, and from the synod of Scotland were read.

The report of the committee on "Temperance," T. C. Sproull, chairman was next read. There seemed to be a division on the paragraph, "Prohibiting the sale and use of tobacco by officers and members of the church." Consequently it was referred back to the committee for fear it was not in accordance with the laws of the church.

A report on "Testimony Bearing," by W. J. Coleman, chairman, was next read, which caused considerable discussion.

Rev. Wallace moved that A. J. McFarland be nominated at a salary of \$800, being \$400 lower than last year. At this point it was moved to adjourn till Saturday morning.

#### Diploma Night at U. P. Church.

Despite the inclement weather quite a good sized audience gathered at the U. P. church to hear the Diploma Night Exercises. The church was tastefully arranged and decorated with palms and pot plants.

Rev. Alvin Orr opened the meeting with prayer. Next came a double quartette consisting of Messrs. Cecil George, John Wilson, Geo. Seigler, Ed. McCown, Robt. Wilson, Ross McCown, Fred Anderson and C. A. Rose. Miss Vera Andrews came next with a selection entitled "The Second Trial," who delivered her piece in a very creditable manner.

"Duties of the College Graduates," was handled by Robt. Galbreath. Vocal solo, Woodbridge Ustick, followed by a selection entitled "The Afflicted Family," by Miss Pauline Collins, who spoke in a very appreciative manner, reflecting much honor on the society.

"Phil's Farewell," a paper read by Miss Alice Bromsgem was much enjoyed by the audience.

Music by the Quartette.

Rev. Homer McMillan, a former member of the society, was next introduced as the speaker of the evening, and offered many beautiful thoughts and suggestions as to the course the college graduates should pursue.

Mr. Ed McCown in a neat address on behalf of the Philadelphia Literary, delivered diplomas to the following graduates: Cora Anderson, Lala Coe, Walter Condon, Benjie Hopping, Glode Paul and Nellie Ustick.

#### Wanted Light From Some Where.

An amusing thing happened at the Synod when the electric lights went out Wednesday evening. One of the ministers was leading in prayer when it happened and after he had finished the chairman asked the audience to remain seated and to sing the sixty-seventh Psalm.

"Lord bless and pity us Shine on us with thy face."

Without a doubt no more appropriate psalm could have been selected for the occasion.

#### Plymouth BINDER TWINS

Rev. Hutchison, of Altoona, Pa., is visiting among friends and relatives in this place.

Rev. T. C. Sproull, of Fair View, Michigan, will fill Rev. Maddox's pulpit, tomorrow morning.

Mrs. Anna Morton and daughter Grace, of Clinton are spending the week here with friends.

Misses Adah Luckey and Anna Edwards, of South Charleston, were guests of Mr. and Mrs. W. J. Wildman yesterday.

Wm. Rodgers, of New Conestown accompanied by his mother, Mrs. Jacob Miller, of Xenia, were the guests of Anna Townsend this week.

"Do not fail to take a peep in our Snow Windows and see the display of beautiful Dresden Ware and Towels were. If you are needing any of these goods we can please you both in price and quality."

At Harry's Men's Store.

#### May Get It Yet.

On Thursday of this week, the management of the Rapid Transit Company passed into the hands of Mr. J. W. Neff, the vice president, caused by the resignation of W. A. Heller as superintendent. Mr. Heller expects to look after the interests of the Fairmount Construction Company who are constructing a double track into Dayton. It is stated that Mr. Heller will be on Mr. Neff's staff during the construction of the Xenia and Cedarville line. The company are taking no action at present toward the construction of our road, as they are waiting on a party of Wilberforce people in regard to a private right of way. Things seem to be somewhat brighter at present than they have been in the past, many thinking that the road had "fell through."

Among the visitors and delegates to the Synod here this week, are James, Finley and Henry Foster. These brothers were born and raised here, and have quite a circle of friends who were glad to meet them again.

#### The New Drop Curtain.

A new drop curtain adorns the Opera House. Two men by the name of Martin and Schaeble furnished the curtain for the advertising they could put on it. The old curtain which was somewhat torn and broken on the side, was taken down and stowed away.

The new curtain does very well for a secondary one to drop between acts, but the trustees should appropriate a sufficient sum to repair the old curtain, as it is too fine a piece of painting to permanently discard.

#### Card of Thanks.

We the undersigned, wish to thank, through the columns of the Herald, especially Mr. Karl Bull, the editor, for notices for Decoration Day from time to time; the choir for their most excellent music, also Mr. James Murry and school children for flag drill and the citizens for their large attendance and liberal patronage.

#### MEMORIAL DAY.

Memorial Day was duly observed by our citizens. Despite the mild rain of the previous evening, the weather turned out to be most propitious for its observance. In the morning quite a number of men and women gathered at the I. O. O. F. hall to arrange the flowers for the different cemeteries. The quantity of flowers this year has exceeded all expectations, and the quality was never better. Through the increasing efforts of the G. A. R. and secret societies, an exceptionally good program was prepared and carried out to the letter. All buildings along the line of march were well decorated, as well as many others over town.

At 9 a. m., citizens assembled at the I. O. O. F. hall to form parade. The order of march with Hon. Andrew Jackson, Marshal and Geo. Irvine as Asst. Marshal, was as follows: 1st, G. A. R.; 2nd, I. O. O. F.; 3rd, K. of E.; 4th, Jr. O. U. A. M.; 5th, Citizens. The line of march was as follows: West on Chillicothe Street to Bridge street; south on Bridge Street to Xenia Avenue; east on Xenia Avenue to Main Street to cemetery. Short services were held by the societies at the graves.

The principle speech of the day was delivered at the Opera House by Hon. C. Q. Hildebrand, of Wilmington, candidate for congressman for this district, who in a simple, but impressive manner addressed the audience:

"The patriotism and fortitude of the true American mothers, wives, sisters and daughters are never more manifest than on Memorial Day. They, by their noble example and deeds of kindness, perpetuate the memory of their loved ones by showing their appreciation of the efforts that are made yearly by the friends, as they contribute floral offerings and use also the graves of our Honored Dead. That the nation is indebted to the mothers for the patriotic spirit instilled in the minds of the younger generations. We meet today in a true spirit of fraternity, charity and loyalty. These annual meetings of the men who rendered loyal, devoted and patriotic services of their country in its hour of peril gives renewed strength to patriotism, tends to elevate and adorn our National character and makes us stronger each succeeding year."

Miss Una Zeiner of Jamestown, delivered a recitation in a very creditable manner.

After the address the drill given by room No. 6 last week, was repeated. The music for the day was furnished by a band from Wilberforce, while a select choir gave three selections at the exercises in the Opera House.

### Memorial Day in Cedarville.

Pines an' tangled roses—a droppin' sweet with dew—  
We strew an' heap above the sleep o' the boys in gray and blue.  
The Lord makes no distinction in the graves there on the hill,  
An' that's our way, Memorial Day, down here in Cedarville.

Blue an' the gray together, dreamin' the last long dream,  
The peace o' God smiles o'er the sod where the snow-white lilies gleam.  
We've long ago forgotten what they were fightin' for—  
They've dreamed away to a glorious day, in a land where there's no war.

Pines an' tangled roses—we scatter them all around—  
With tulips red, above the dead who lie in each sunken mound.  
The Stars an' Stripes these followed—these fought for the Stars an' Bars.  
But they rest today in a land away—all blessed by the peaceful stars.

The gray has long since faded—faded just like the blue—  
Each has a part in the home-folk's heart, an' the heart o' the nation, too.  
Blue an' the gray together, under the home blooms fair,  
An' the home-folks' love is rich above, in the flowers clustered there.

Pines an' tangled roses—nothin' but blooms o' home—  
Across the graves, in blossom waves, they smile at the sky's blue dome.  
Blue an' the gray together—an' home-blooms on the hill—  
It's the home-folks' ways, Memorial Day, down here in Cedarville.

Last Sabbath being the day for the Memorial Sermon, quite a crowd gathered at the opera house to hear the one delivered by Rev. Ramsey, of the 1st U. P. church of Xenia, and was a most able discourse, containing many excellent thoughts.

The going out of the lights at the U. P. church Thursday night, was caused by some crank playing with the switch. Whether the offender knows it or not, there is a very heavy fine for such work, and if found out, Mr. Lowry will prosecute to the full extent of the law. This is not the first offense of this kind, but had better be the last.

"Do you want a man who, having raised the Stars and Stripes on our New Possessions, will maintain them with dignity; or a man who will cut down 'Old Glory' and make us the laughing stock of the world?"

The Chinese Minister hit the nail right when he christened the dress shirt as "pneumonia" shirt.

One thing this Cuban business has done, and that is to push the Porto Rican bill into the background.

Great Britain has forgotten of course, how shocked she was at our victory over such a little fellow as Spain.

Money won't do everything. Mr. Clark has three times bought a seat in the United States Senate, and still is not in possession of it.

Rev. Sheldon, late of the Topeka Capital, has taken ship for Europe and the London journals are profanely inquiring why he does not walk across as Jesus would do.

Paying United States bonds is a republican specialty. The Treasury Department has called for \$25,000,000 in old 2 per cent bonds and given notice that interest on them will cease Sept. 1.

Gen. Weyler is reading the Cuban news with rage and despair in his heart. He thinks how much better he would have done if he had only a few American carpet bag politicians to help him.

Now it's the War Department that is involved in Cuba. Secretary Root is trying to explain why his predecessor spent \$362,000 for building a railway six miles long. Laying the rails alone cost about \$32,000 per mile.

Jim Keene, the Wall Street speculator, will pay \$7,500 as the result of a bluff. He offered to bet that amount against \$10,000 that Bryan would be elected President, and republicans fall over each other in their anxiety to take up the bet.

Does anyone really propose that we should go to war with Great Britain on behalf of the Boers? If not, what is the use of encouraging the latter to continue a hopeless fight? They have proved themselves to be men indeed, but the end is inevitable.

In a story written for boys, Gov. Roosevelt gives the following rule for success, which he has himself closely followed: "In life, as in a foot-ball game, the principle to follow is, hit the line hard; don't foul and don't shirk, but hit the line hard." It's a good rule for anybody.

Germany is about to make another attempt to injure our trade by adopting a method of reprisal—imposing higher duties on articles from the United States. If the Kaiser isn't careful, made-in-Germany articles will come to be sold in this country. Hoptail is a two handed game and Uncle Sam holds the winners.

The country has absolute confidence in the administration, and knows that there are reasons—good ones—why the President and his advisers down it wise for the Senate to defer action on the Nicaragua Canal bill until the next session. That there are diplomatic reasons, as the bill, if it becomes a law in advance of the making of iron-clad agreements with the two Central American countries through which the Nicaragua Canal will pass, would enable those countries to enforce extortionate demands.

A Scurvy Devil Fish Destroying his victim, is a type of Consumption. The power of this medicine to hit on organs, nerves, muscles and bones. But Dr. King's New Life Pills are a safe and certain cure. But in the world for Scurvy, Liver, Kidney and Blood. Only 25 cents, at Clary's & City Drug Store.

A message was received in Dayton the first of the week stating that a large reward will be paid for information leading to the location of Chester A. Richardson, president of the Worcester Construction Co., which built the Dayton and Xenia line. Mr. Richardson disappeared from the Hotel Waldorf in New York, April 4, and was supposed to have gone to Dayton. Upon leaving New York he had a large amount of money and several diamond and rings and a sled, which is valued at several thousand dollars. It has been but a few weeks whereby the Worcester Construction Company disposed of its interests in the Dayton and Xenia line to Dayton capitalists. It is stated that this is the second time he has disappeared.

A Life and Death Fight. Mr. W. A. Hines, of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery which wholly cured me. Hundreds have used it on my advice and all say it never fails to cure. Throat, Chest and Lung troubles." Regular size 50c and \$1.00. Trial bottles free at Ridgway & Co's. Drug Store.

The town trustees of Benton, Ky., have granted a license to a citizen to open a saloon on an agreement that he shall keep his doors open all the time, use no screens whatever, and that no one shall be allowed to "treat" or "set up" in his place of business. Every man who takes a drink must pay for his own liquor.

Glenn's News. Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but now her health is excellent." Electric Bitters is the best blood purifier known. ## SCOTT'S EMULSION

OF COD-LIVER OIL WITH HYPOPHOSPHITES

should always be kept in the house for the following reasons:

**FIRST**—Because, if any member of the family has a hard cold, it will cure it.

**SECOND**—Because, if the children are delicate and sickly, it will make them strong and well.

**THIRD**—Because, if the father or mother is losing flesh and becoming thin and emaciated, it will build them up and give them flesh and strength.

**FOURTH**—Because it is the standard remedy in all throat and lung affections.

No household should be without it. It can be taken in summer as well as in winter.
